

AMERICAN PAINTING CONTRACTOR

# TRAINING DAYS

## tools for success

THE MOST DYNAMIC TRAINING IN THE PAINTING INDUSTRY

APC Training Days are one-day seminars that deliver the practical **painting-specific** information that you need to expand your business. Topics include Priming & Surface Prep, Sprayer Troubleshooting, EPA's new RRP Rule, Guerilla Marketing, Estimating and more!

This relaxed, information-packed seminar will energize you - it will remind you why it's great to be a painting contractor!

### 2011 Training Tour Dates:

- Chicago: March 22
- Denver: April 12
- Atlanta: May 19
- New York: October 18
- Orlando: November 15

“Wow! I am inspired and very happy to be in the know.”

— Training Days-Anaheim Contractor

“We need more courses like this!”

— Training Days-Phoenix Contractor
